RANKED-CHOICE VOTING FOR WASHINGTON

A SIMPLE, PROVEN UPGRADE TO OUR ELECTIONS

Ranked-choice voting is a non-partisan reform that improves our democracy by ensuring elected officials reflect the communities they represent.

✓ MORE OPTIONS ON YOUR BALLOT
You'll have greater choice and more say in who we elect.

✓ VOTE FOR WHO YOU REALLY WANT
No more worrying about the lesser of two evils, or wasting your vote.

✓ PUT AN END TO NEGATIVE CAMPAIGNS
Candidates must appeal more broadly to voters and that means more civility.

HOW DOES RANKED-CHOICE VOTING WORK?
With RCV, you get to rank the candidates in order of preference. Who do you want most? Rank them first. Who would you pick next? Rank them second, and so on. When the ballots are counted, if your first choice has the least support, then your vote automatically goes to your next choice to help them win.
