

RANKED- CHOICE VOTING FOR WASHINGTON

A SIMPLE, PROVEN UPGRADE
TO OUR ELECTIONS

Ranked-choice voting is a non-partisan reform that improves our democracy by expanding voter choice and improving representation.

✓ MORE CHOICES FOR VOTERS

You get more options and more say in who represents us.

✓ VOTE FOR WHO YOU REALLY WANT

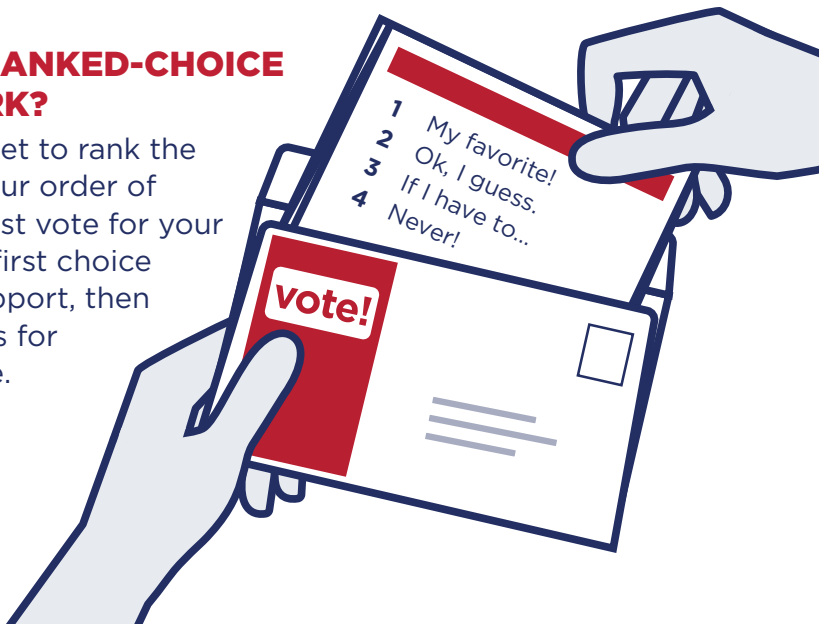

No more worrying about the lesser of two evils, or wasting your vote.

✓ TAMPES DOWN NEGATIVE, DIVISIVE CAMPAIGNS

Rewards candidates who appeal more broadly to voters, so campaigns are more civil.

HOW DOES RANKED-CHOICE VOTING WORK?

With RCV, you get to rank the candidates in your order of preference, or just vote for your favorite. If your first choice has the least support, then your vote counts for your next choice.
