Part II Change to the Cash Method for Non-Automatic Change Request (see instructions)

- Applicants requesting a change to the cash method must attach the following information:
- A description of inventory items (items whose production, purchase, or sale is an income-producing factor) and materials and supplies used in carrying out the business.
 - An explanation as to whether the applicant is required to use an accrual method under any section of the Code or regulations.

Schedule B—Changes Related to the Deferral Method for Advance Payments, Cost Offset Methods, and/or the Applicable Financial Statement Income Inclusion Rule (see instructions)

- 1 If the applicant is requesting to change to the deferral method for advance payments under Regulations section 1.451-8(c) or (d), as described in the instructions, attach the information specified in the instructions.
 - 2 If the applicant is requesting to change to or within a cost offset method under Regulations section 1.451-3(c) and /or Regulations section 1.451-8(e), as described in the instructions, attach the information specified in the instructions.
 - 3 If the applicant is requesting to change to or within a method to conform to the applicable financial statement (AFS) income inclusion rule under section 451(b) and Regulations section 1.451-3, as described in the instructions, attach a detailed description of the proposed method including the information specified in the instructions.
-

Schedule C—Changes Within the LIFO Inventory Method (see instructions)

Part I General LIFO Information

Complete this section if the requested change involves changes within the LIFO inventory method. Also, attach a copy of all **Forms 970, Application To Use LIFO Inventory Method**, filed to adopt or expand the use of the LIFO method.

- 1 Attach a description of the applicant's present and proposed LIFO methods and submethods for each of the following items:
 - a Valuing inventory (for example, unit method or dollar-value method).
 - b Pooling (for example, by line or type or class of goods, natural business unit, multiple pools, raw material content, simplified dollar-value method, inventory price index computation (IPIC) pools, vehicle-pool method, etc.).
 - c Pricing dollar-value pools (for example, double-extension, index, link-chain, link-chain index, IPIC method, etc.).
 - d Determining the current-year cost of goods in the ending inventory (such as, most recent acquisitions, earliest acquisitions during the current year, average cost of current-year acquisitions, rolling-average cost, or other permitted method).
 - 2 If any present method or submethod used by the applicant is not the same as indicated on Form(s) 970 filed to adopt or expand the use of the method, attach an explanation.
 - 3 If the proposed change is not requested for all the LIFO inventory, attach a statement specifying the inventory to which the change is and is not applicable.
 - 4 If the proposed change is not requested for all of the LIFO pools, attach a statement specifying the LIFO pool(s) to which the change is applicable.
 - 5 Attach a statement addressing whether the applicant values any of its LIFO inventory on a method other than cost. For example, if the applicant values some of its LIFO inventory at retail and the remainder at cost, identify which inventory items are valued under each method.
 - 6 If changing to the IPIC method, attach a completed Form 970.
-

Part II Change in Pooling Inventories

- 1 If the applicant is proposing to change its pooling method or the number of pools, attach a description of the contents of, and state the base year for, each dollar-value pool the applicant presently uses and proposes to use.
 - 2 If the applicant is proposing to use natural business unit (NBU) pools or requesting to change the number of NBU pools, attach the following information (to the extent not already provided) in sufficient detail to show that each proposed NBU was determined under Regulations sections 1.472-8(b)(1) and (2):
 - a A description of the types of products produced by the applicant. If possible, attach a brochure.
 - b A description of the types of processes and raw materials used to produce the products in each proposed pool.
 - c If all of the products to be included in the proposed NBU pool(s) are not produced at one facility, state the reasons for the separate facilities, the location of each facility, and a description of the products each facility produces.
 - d A description of the natural business divisions adopted by the taxpayer. State whether separate cost centers are maintained and if separate profit and loss statements are prepared.
 - e A statement addressing whether the applicant has inventories of items purchased and held for resale that are not further processed by the applicant, including whether such items, if any, will be included in any proposed NBU pool.
 - f A statement addressing whether all items including raw materials, goods-in-process, and finished goods entering into the entire inventory investment for each proposed NBU pool are presently valued under the LIFO method. Describe any items that are not presently valued under the LIFO method that are to be included in each proposed pool.
 - g A statement addressing whether, within the proposed NBU pool(s), there are items both sold to unrelated parties and transferred to a different unit of the applicant to be used as a component part of another product prior to final processing.
 - 3 If the applicant is engaged in manufacturing and is proposing to use the multiple pooling method or raw material content pools, attach information to show that each proposed pool will consist of a group of items that are substantially similar. See Regulations section 1.472-8(b)(3).
 - 4 If the applicant is engaged in the wholesaling or retailing of goods and is requesting to change the number of pools used, attach information to show that each of the proposed pools is based on customary business classifications of the applicant's trade or business. See Regulations section 1.472-8(c).
-

Schedule D—Change in the Treatment of Long-Term Contracts Under Section 460, Inventories, or Other Section 263A Assets (see instructions)

Part I Change in Reporting Income From Long-Term Contracts (Also complete Part III on pages 7 and 8.)

- 1 To the extent not already provided, attach a description of the applicant's present and proposed methods for reporting income and expenses from long-term contracts. Also, attach a representative actual contract (without any deletions) for the requested change. If the applicant is a construction contractor, attach a detailed description of its construction activities.
2a Are the applicant's contracts long-term contracts as defined in section 460(f)(1) (see instructions)?
b If "Yes," do all the contracts qualify for the exception under section 460(e) (see instructions)?
c Is the applicant requesting to use the percentage-of-completion method using cost-to-cost under Regulations section 1.460-4(b)?
d If line 2c is "Yes," in computing the completion factor of a contract, will the applicant use the simplified cost-to-cost method described in Regulations section 1.460-5(c)?
e If line 2c is "No," is the applicant requesting to use the exempt-contract percentage-of-completion method under Regulations section 1.460-4(c)(2)?
3a Does the applicant have long-term manufacturing contracts as defined in section 460(f)(2)?
b If "Yes," attach a description of the applicant's manufacturing activities, including any required installation of manufactured goods.
4a Does the applicant enter into cost-plus long-term contracts?
b Does the applicant enter into federal long-term contracts?

Part II Change in Valuing Inventories Including Cost Allocation Changes (Also complete Part III on pages 7 and 8.)

- 1 Attach a description of the inventory goods being changed.
2 Attach a description of the inventory goods (if any) NOT being changed.
3a Is the applicant subject to section 263A? If "No," go to line 4a
b Is the applicant's present inventory valuation method in compliance with section 263A (see instructions)? If "No," attach a detailed explanation

4a Check the appropriate boxes in the chart.

- b Enter the value at the end of the tax year preceding the year of change.
5 If the applicant is changing from the LIFO inventory method to a non-LIFO method, attach the following information (see instructions).
a Copies of Form(s) 970 filed to adopt or expand the use of the method.
b Only for applicants requesting a non-automatic change. A statement describing whether the applicant is changing to the method required by Regulations section 1.472-6(a) or (b), or whether the applicant is proposing a different method.
c Only for applicants requesting an automatic change. The statement required by section 23.01(5) of Rev. Proc. 2022-14 (or its successor).
6 Is the applicant presently using the AFS cost offset method as described in Regulations section 1.451-3(c) and/or the advance payment cost offset method described in Regulations section 1.451-8(e), or is the applicant changing to such methods for the same year of change as the requested change in inventory method? If "Yes," see the instructions for rules regarding concurrent changes

Part III Method of Cost Allocation (Complete this part if the requested change involves either property subject to section 263A or long-term contracts as described in section 460.) See instructions.

Section A—Allocation and Capitalization Methods

Attach a description (including sample computations) of the present and proposed method(s) the applicant uses to capitalize direct and indirect costs properly allocable to real or tangible personal property produced and property acquired for resale, or to allocate direct and indirect costs required to be allocated to long-term contracts. Include a description of the method(s) used for allocating indirect costs to intermediate cost objectives such as departments or activities prior to the allocation of such costs to long-term contracts, real or tangible personal property produced, and property acquired for resale. The description must include the following:

- 1 The method of allocating direct and indirect costs (for example, specific identification, burden rate, standard cost, or other reasonable allocation method).
- 2 The method of allocating mixed service costs (for example, direct reallocation, step-allocation, simplified service cost using the labor-based allocation ratio, simplified service cost using the production cost allocation ratio, or other reasonable allocation method).
- 3 Except for long-term contract accounting methods, the method of capitalizing additional section 263A costs (for example, simplified production with or without the historic absorption ratio election, modified simplified production with or without the historic absorption ratio election, simplified resale with or without the historic absorption ratio election including permissible variations, the U.S. ratio, or other reasonable allocation method).

Section B—Direct and Indirect Costs Required To Be Allocated

Check the appropriate boxes showing the costs that are or will be fully included, to the extent required, in the cost of real or tangible personal property produced or property acquired for resale under section 263A or allocated to long-term contracts under section 460. Mark "N/A" in a box if those costs are not incurred by the applicant. If a box is not checked, it is assumed that those costs are not fully included to the extent required. Attach an explanation for boxes that are not checked.

- b If the property is residential rental property, did the applicant live in the property before renting it? Yes No
- c Is the property public utility property? Yes No
- 5 To the extent not already provided in the applicant's description of its present method, attach a statement explaining how the property is treated under the applicant's present method (for example, depreciable property, inventory property, supplies under Regulations section 1.162-3, nondepreciable section 263(a) property, property deductible as a current expense, etc.).
- 6 If the property is not currently treated as depreciable or amortizable property, attach a statement of the facts supporting the proposed change to depreciate or amortize the property.
- 7 If the property is currently treated and/or will be treated as depreciable or amortizable property, provide the following information for both the present (if applicable) and proposed methods:
 - a The Code section under which the property is or will be depreciated or amortized (for example, section 168(g)).
 - b The applicable asset class from Rev. Proc. 87-56, 1987-2 C.B. 674, for each asset depreciated under section 168 (MACRS) or under former section 1400L; the applicable asset class from Rev. Proc. 83-35, 1983-1 C.B. 745, for each asset depreciated under former section 168 (ACRS); an explanation why no asset class is identified for each asset for which an asset class has not been identified by the applicant.
 - c The facts to support the asset class for the proposed method.
 - d The depreciation or amortization method of the property, including the applicable Code section (for example, 200% declining balance method under section 168(b)(1)).
 - e The useful life, recovery period, or amortization period of the property.
 - f The applicable convention of the property.
 - g Whether the additional first-year special depreciation allowance (for example, as provided by section 168(k), 168(l), 168(m), or former section 168(n), 1400L(b), or 1400N(d)) was or will be claimed for the property. If not, also provide an explanation as to why no special depreciation allowance was or will be claimed.
 - h Whether the property was or will be in a single asset account, a multiple asset account, or a general asset account.
